

Expert in Artificial Intelligence, Ethical AI & Human-Machine Interaction

Klara Krieg

Klara Krieg is a Technology Specialist at Microsoft and supports companies in applying Microsoft AI solutions. She is a sought-after keynote speaker on the topics of artificial intelligence, fair AI, and diversity in the tech world. In her talks, she combines technical expertise with social responsibility and makes complex AI topics exciting, tangible and understandable. With experience from Silicon Valley and her in-depth expertise in the field of large language models, she provides valuable insights into the opportunities and challenges of the AI world. Her aim is to get people excited about AI, raise awareness of ethical issues and actively...
