

Philosopher, Photographer, AI Pioneer & Creativity expert

Boris Eldagsen

Boris Eldagsen – Philosopher, AI artist. Provocateur. Award refuser. 'I do not accept this award!' – With this sentence, Boris Eldagsen made international photography history in 2023 – as the first artist to publicly reject a prestigious photography award because the winning image had not been created by him, but by AI. The jury had not recognised this. The world did. For some, he was a troublemaker. For others, he was the 'poster boy of the AI debate' (SZ), the 'man who opened Pandora's box' (The Age). His image PSEUDOMNESIA | The Electrician became a global icon – 'the photo...
