

Virtual teams expert, author, world champion

Peter Ivanov

Peter Ivanov is Manager, Entrepreneur and Virtual teams Expert with over 20 years of international experience. Born in Bulgaria he graduated Mathematics and joined a multinational company as Data Analyst. He quickly became IT Manager for Bulgaria and gradually worked his way up to IT Services Manager for Eastern Europe, Middle East and Africa. Peter recognized the growing importance of the teams in multiple locations and developed an innovative method for leading Virtual teams. In 2007 the Team led by Peter won the “Best of the Best” award for outstanding Project management in establishing global Shared services. In 2012 his...
