

AI Inventor, Business Futurist, Fortune 50 Executive & Strategic Growth Expert

Jonathan Brill

Jonathan Brill is the world's leading futurist according to Forbes and the world's leading transformation architect according to Harvard Business Review. Jonathan Brill helps leaders recognise, drive and invent 'What Happens Next'™, providing provocative arguments not only for why the world is changing, but also for what you can do about it and how you can take meaningful action. With his impressive expertise in predicting trends and designing resilient business models, Jonathan Brill is a sought-after consultant and keynote speaker, helping the world's leading companies and organisations prepare for tomorrow's uncertain challenges. He combines technological foresight with practical methods to...
