

Political scientist specialising in security policy

Dr. Claudia Major

Dr. Claudia Major is GMF's senior vice president overseeing the organization’s transatlantic security and defense work, and an executive team member. Previously, Dr. Major was the director of the International Security Division at the German think tank Stiftung Wissenschaft und Politik (SWP) in Berlin. Her research, advisory work, and publications focus on German, European and transatlantic security and defense policy, NATO, deterrence and nuclear (dis)order, defense industry, and the Franco-German relationship. Claudia Major Lecture Topics Geopolitics & Security: Geopolitical realignment, European security and defense policy, NATO, the EU, and transatlantic relations. Russia & Ukraine: Consequences of Russia’s war against Ukraine,...
