

Entrepreneur, Founder and CEO of imvest

Julia Wilkinson

Julia Wilkinson is the founder and CEO of imvest, a company dedicated to building a sustainable future through social entrepreneurship and impact investing. Julia Wilkinson brings more than 16 years of investing experience for institutional asset owners, Venture Capital and Private Equity fund managers, and ultra-high-net-worth individuals. She is an expert in impact and finance due diligence, structuring deals and funds, building impact investment strategies, and leading the integration of sustainable finance strategies to generate value. She works with traditional, institutional, and impact investors and entrepreneurs across the globe to reduce risk, multiply impact, and grow a resilient and sustainable...
