

Expert in Change-Management, Communication, Innovation, Political Affairs & Female Leadership

Kerstin Plehwe

Kerstin Plehwe - the perfect Keynote Speaker for your Conference

The publicist, philanthropist and consummate entrepreneur Kerstin Plehwe was just 20 years old when she struck out on her own with her first consulting company. She sold it five years later, going on to launch a number of technology and communication providers, which she ran successfully for several years. Her...
