

Handball Coach & Sports Manager

# Bob Hanning

Bob Hanning is the colourful dog of German handball. For years, the charismatic manager has determined the heartbeat of his sport. Always full of passion. Always hard at the limit. He is considered one of the most influential handball officials in the world and the strong man in German handball. He is opinionated and known for his courage in confrontation. He always finds clear words. Both in sport and on stage. In Berlin, he has built up an internationally successful sustainable handball club in recent years. His great passion is training young people to become personalities / national players and...
