

Transformation Psychologist & Curiosity Researcher

Dr. Carl Naughton

Dr. Carl Naughton is a transformational psychologist and pioneer of “Open Minds”. As an internationally networked researcher and inspiring source of inspiration, he combines science, humor and passion to get his audience not only to think, but to rethink. With his practical research, he addresses the central question: How can we use psychology to create a fulfilling and successful (working) life? His answers? Curiosity, courage to face the future, adaptive intelligence and cleverness. In doing so, he goes far beyond the boundaries of the familiar – and makes knowledge tangible.
