

Expert on Collaboration, Teamwork, Leadership & Performance

Doug Manuel

Beats as One – Collaboration, Teamwork, Leadership & Performance. Doug Manuel is an inspiring keynote speaker and performer who specializes in purpose-driven engagement, authentic collaboration, and strengthening human connections. For over 30 years, he has captivated Fortune 500 companies and leading business schools worldwide with his dynamic live and virtual programs. His distinguished clients include the Harvard Business School, the World Economic Forum, LVMH, Google, and Oprah. Doug's work is deeply influenced by the timeless wisdom of rural Africa, where he has traveled for over 25 years to pursue his passion for West African music and culture. He is also...
