

Olympic & World Champion, ZDF expert, Author & one of the most successful German athletes of all time

Ronald Rauhe

Ronald Rauhe – 25 years at the top of the world, 2-time Olympic champion, 38-time world and European champion Ronald Rauhe is the most successful canoeist in the world and one of the most successful German athletes of all time. With 25 years at the top of the world rankings, two Olympic victories and a total of five Olympic medals, he has not only written sporting history, but also set standards for consistency, adaptability and top performance. His record of 38 gold medals at World and European Championships is unique and emphasises his tireless will to develop and his focus...
