

Investment strategist between macroeconomics, politics and markets

Dr. Martin Lück

Martin Lück is the founder and Managing Director of the analysis and consulting firm Macro Monkey in Frankfurt am Main. Founded in 2024, the company provides professional capital market participants with research and consulting services in the areas of macroeconomics, (geo)politics and financial markets. Prior to his current role, Martin Lück worked for around 30 years in various positions at banks and fund companies, most recently for a good eight years as Chief Economist at UBS Germany and Head of Capital Market Strategy for the DACH region and Eastern Europe at BlackRock, the world's largest fund company.
