

Expert in Leadership Communication & Founder of the Leadership Speaking School

Dr. Laura Penn

Dr. Laura Penn is the founder of the Leadership Speaking School based in Switzerland. She is an international expert in leadership communication and the speaking arts and has been speaking on global stages about leadership, the future of work, and HR talent development for the past 15 years. Dr. Penn has delivered hundreds of training sessions and keynote speeches around the world, inspiring her audiences of tens of thousands to build better relationships, become better leaders, and improve their bottom-lines through effective leadership communication. She ignites her audiences to think differently about leadership communication and executive success in the digital age and...
