

War correspondent, Global speaker on AI, Security expert, TV producer & Bestselling author

## Jay Tuck

Jay Tuck is a US security expert, investigative journalist and award-winning television producer. He was head of the ARD Tagesthemen programme for many years. In lectures, he talks about how AI influences modern warfare. The New York born journalist Jay Tuck launched his career with the US Department of the Treasury in Washington, D.C. and with CBS News in New York. He later moved on to a distinguished career in international news. In Germany, he produced over 500 investigative segments for ARD-Network Television. He served as combat correspondent on the battlefields of Kuwait, Iraq and Ukraine, as well as on...
