

Former Minister of Finance Austria, CEO Mare TechnoPark, Philosopher

Gernot Blümel

Gernot Blümel, former Minister of Finance of Austria, CEO Mare TechnoPark. After completing his military service, Gernot Blümel studied philosophy and economics. His professional career took him to the Austrian Parliament and the Foreign Ministry, as well as to the position of Secretary General of the Austrian People's Party, where he drafted a new party program. He later became Minister of the Chancellery in the Sebastian Kurz I government, responsible for art, culture and media. He also became Austria's Minister for Europe and was Chairman of the General Council of the European Union during the Council Presidency. In the Kurz...
