

Futurist - International Top-Expert in Technologies, (Self-)Leadership & Impact

Prof. Dr. Anabel Ternès von Hattburg

Prof. Dr. Anabel Ternès von Hattburg is one of Europe's leading futurologists, a multi-award-winning impact entrepreneur, author and internationally sought-after keynote speaker. As an expert in sustainability, digitalisation and future-oriented leadership, she combines in-depth knowledge, charismatic stage presence and a deep social commitment. Her commitment to human rights and environmental protection is reflected in numerous projects and initiatives in which she assumes leadership responsibility. Forbes calls her a 'superwoman,' Handelsblatt describes her as a thought leader, and Hypovereinsbank highlights her as one of Germany's outstanding managers. Her motivation: to inspire people to act responsibly, sustainably and with an eye to...
