

Founder of Damn Plastic & VEATZZ, Sustainability Pioneer & Visionary

## Ing. M.Sc. Victoria Neuhofer

Victoria Neuhofer isn't just a 5-time founder – she is a bold visionary with entrepreneurship in her DNA and one of the most influential voices in female entrepreneurship across the DACH region. As the 11th generation of an entrepreneurial family, Victoria Neuhofer breaks with convention to build companies that rethink how business and society work. Her mission: to create solutions that excite, not lecture. Entrepreneurship wasn't just inherited – it shaped her entire way of thinking. But instead of following tradition, she chose the detour into the unknown: her own ideas, bold actions, new paths. Her motto: "If you don't..."
