

Global Stateswoman, Diplomatic Strategist & Head of State Advisor

Lena Bäcker

Lena Bäcker is one of the world's most exclusive keynote speakers in diplomacy, leadership, and global business strategy. With over 35 years of experience at the highest international levels, she has advised royal families, heads of state, Nobel laureates, and Fortune 500 leaders worldwide. As former Enforcement Director in the Swedish government and Chair of the EU High-Level Think Tank for seven years (European Association of Public Banks), Lena led Europe's largest public financial institutions alongside the European Commission, European Parliament, ECB, and European Investment Bank through turbulent periods, including the global financial crisis and the Greek debt crisis. She united...
