

Documentary filmmaker & Film director, Author, Border crosser & Extreme explorer

Bruno Baumann

As a modern explorer, award-winning author, director and extreme researcher, Bruno Baumann stands for courage, a spirit of discovery and visionary thinking. Bruno Baumann, who has Styrian roots and lives in Munich, is one of the most renowned speakers in the German-speaking world when it comes to topics such as change, vision, resilience and leadership. He has undertaken numerous desert expeditions, including a spectacular solo trek across the Gobi Desert and crossings of the Takla Makan and Sahara. In his keynote speeches, he draws on his desert experiences to address topics such as excellence in challenging situations, change as an…
