

Communication & Reinvent Leadership Expert, Founder & CEO of "Find Your Voice"

## Hana Brellah

Hana Brellah, is an international leader who bridges science, strategy, and operations with a multicultural lens to help organisations turn vision into practice and empower executives to communicate and lead with confidence in a future-ready world. "Reinvent Leadership & Communication to elevate what leaders know, how they blend, and where they drive next." Female Speaker Hana Brellah brings two decades of pharma expertise at multinationals such as AbbVie, Novo Nordisk, Merck Sharp & Dohme, and most recently Merz, where she led multicultural teams and advanced organisational transformation across the EMEA region. Beyond her professional roles, Hana's edge comes from living...
