

TV Presenter, Event Host & Master of Ceremonies

Désirée Lehmann

Born in 1990 near Basel, Désirée Lehmann studied Business Communications at the Zurich University of Applied Sciences in Business Administration (HWZ), laying the foundation for her current career as a professional moderator and host. For more than a decade, she has been active as a TV and event presenter, appearing both on screen and on national and international stages. Her path led her from music and pop culture events to high-level business and technology conferences as well as television formats.Combining deep expertise, entrepreneurial thinking, professional media experience, and charismatic stage presence, Désirée Lehmann is a moderator who translates the topics...
