Expert in Negotiation & Conflict resolution

# Prof. Steve A. Tineo

Professor Steve A. Tineo is the man who redefined negotiation: he has been involved in 800 interventions, worked with 10 governments, 5 presidents and 50 international corporations, and provided mental coaching to 12 Formula 1 drivers and supermodels. For over 25 years, Steve A. Tineo has been called upon when millions are at stake, when a single word can decide between war and peace, and when precision becomes a matter of survival. He is one of Europe's most experienced negotiation and crisis experts. Steve Tineo has conducted hundreds of high-level negotiations with governments, banks, multinational corporations, CEOs, top athletes and…
