

Expert in Bridging Institutional Finance and Digital Assets | Venture Capital & Crypto Investor |  
Co-Founder of Fountainhead Digital

## Anton Werner

Anton Werner is Co-Founder and Partner at Fountainhead Digital. The company develops and manages crypto investment strategies for institutional investors. Anton Werner has spent the past 15 years in the technology sector as both a founder and investor. He built and sold his first company to a publicly listed firm before transitioning into venture capital. From traditional VC, he moved into the frontier of technology investing: Crypto/Web3. Anton Werner Lecture topics: Crypto is Bigger than You Think Why is crypto much more than an asset class and why are most investors still missing the full picture? Crypto is the only technology...
