

Founder & CEO of Pareto Economics, Geoeconomics Expert & Creator of the Global Power Index

Prof. Klisman Murati

As Founder and CEO of Pareto Economics, Klisman Murati leads one of the world's most advanced strategic intelligence firms in the world. His proprietary framework, the Global Power Index, assesses 194 countries through six core dimensions of national power. The GPI is trusted by global institutions, blue chip companies, institutional investors, and governments to forecast risks, uncover opportunities, and plan for the future with confidence. As a keynote speaker, Klisman Murati is known for his clarity, originality and counterintuitive insights, making every keynote a bespoke experience to the client. He does not simply inform audiences – he transforms how they...
