

Former Naval Air Fighter Pilot, Expert on Leadership, Decision-Making & Performance under Pressure

Pierre-Henri Chuet

Pierre-Henri "Até" Chuet is a former Naval Air fighter pilot, trained as a 737 pilot for Air Canada, and an international keynote speaker specialized in leadership, decision-making, and performance under pressure. Trained by the US Navy, he accumulated extensive experience in combat operations, aerial demonstrations aboard the Rafale Marine, and 200 aircraft carrier landings. A French and Canadian dual citizen, Pierre-Henri spent eight years in a combat squadron before joining Air Canada as a commercial pilot. Pierre-Henri Chuet Lecture Topics Leadership & Followership – The Wingman Mindset What makes a great leader and an even greater teammate? Drawing from fighter aviation, Até explains how leadership is built...
