

Expert in moderne Leadership & Growth Mindset

## Zoe Fragou

Zoe Fragou: "The balance in people's inner identities fight toxic work cultures." Zoe Fragou is an organisational psychologist with an MSc in Human Resources Management. She is a licensed clinical psychologist, holds a diploma in business coaching and mentoring, and has a certificate in agile leadership. She is currently pursuing her PhD at EU Business School as part of a prestigious fellowship, focusing her research on organisational behaviour. Zoe Fragou is an award-winning business coach and leads global projects in cultural transformation, employee training and public speaking, including for Fortune 500 companies. She is also publicly committed to human rights,...
