

Expert in Crisis Management for Cyber Extortion for Businesses

Oliver Schneider

Oliver Schneider is the man who negotiates with extortionists. Cyber extortion, kidnapping, crises – and what leaders can learn from them. When the phone rings in the middle of the night, servers shut down and a ransom note flashes on the screen, the nightmare begins for many companies. For Oliver Schneider, this is the moment his work starts. The former officer of the German Special Forces Command (KSK) and internationally active kidnap-for-ransom consultant is now one of the most sought-after experts on cyber extortion and crisis management in the German-speaking world. His career brings together more than two decades of…
