Nicole Malachowski

Nicole Malachowski defies stereotypes. She was the first woman jet fighter pilot – but that's only part of her story. Nicole Malachowski is a leader and combat veteran, the first woman pilot on the Thunderbirds Air Demonstration Squadron, a former White House Fellow, and an inductee into both the National Women's Hall of Fame and the Women in Aviation International Pioneer Hall of Fame. She even has a Star Trek Federation starship named after her: the USS Malachowski (NCC-1619).
