

Expert on Modern Work Culture & Leadership

Lisa Walden

Lisa X. Walden is an engaging keynote speaker and respected trend observer in the field of the future of work. She is known internationally for her ability to connect with diverse audiences and spark meaningful, people-centered change within organizations. With more than ten years of experience in generational sociology, Lisa works with organizations of all sizes and across industries to identify what truly makes workplaces thrive. Her talks combine practical takeaways with inspiration and honest clarity, challenging outdated assumptions while offering concrete paths forward. Over the years, she has collaborated with leading organizations including Anthropic, BMW, Siemens and HP, helping leaders…
