

Expert in Cybersecurity, Cybcrime & Digitalisation

Prof. Dr. Marco Gercke

Marco Gercke is an entrepreneur, scientist and consultant specialising in cybersecurity and digitalisation. With more than 700 lectures in over 100 countries and more than 100 scientific publications, he is one of the world's leading experts in the field of cybersecurity and cybercrime. The founder and director of the Cybercrime Research Institute, an independent research institute based in Cologne, advises governments, organisations and companies worldwide on strategic, political and legal issues. Among other things, he has supported NATO, the EU and the G20 in the field of cybersecurity and digitalisation. His monograph 'Understanding Cybercrime' has been translated into all UN…
