

Moderator, Master of Ceremonies, Host, Presenter

Simon Diez

Simon Diez is a presenter for corporate events, galas and international conferences. His trademark: he brings a concert atmosphere to business stages. This is because Simon's roots as a presenter lie in the world of concert stages. It was there that he learnt how to command a room – through timing, presence and a keen sense of people and atmosphere. When a hall falls silent because a moment has made an impact. When laughter ripples through the room; when tension builds and then releases. It is precisely this feeling that he now brings to corporate events. Simon Diez combines emotional...
