

Hollywood Stuntman & Actor

## Eddie Davenport

Eddie Davenport is a Hollywood stuntman, actor, and keynote speaker who helps audiences understand what to do when fear, pressure, and uncertainty show up. Throughout his career, Eddie learned that fear never disappears when the stakes get bigger. Whether standing on a platform three stories in the air, preparing for a high-risk stunt, or navigating the uncertainty of a career built on constant pressure and rejection, the challenge was never eliminating fear, it was learning what to do with it. In his keynote, Redefining Fear, Eddie combines cinematic storytelling, humor, and lessons from two decades in Hollywood to help audiences...
