

The most successful ski jumper in World Cup history, Entrepreneur, Investor, Olympic champion

Gregor Schlierenzauer

Gregor Schlierenzauer: 53 World Cup victories. Four Olympic medals. The most successful ski jumper in World Cup history. However, the most important insight of his career did not come on the winner’s podium, but during a personal crisis. Today, Gregor Schlierenzauer demonstrates why sustainable peak performance arises where people experience security, trust, and guidance—and why letting go is often the highest form of control. Gregor Schlierenzauer’s Lecture Topic Letting Go Creates Lift. – A keynote on leadership, trust, and decision-making amid uncertainty. In ski jumping, the moment of letting go determines whether a jump will succeed. It’s the same in…
