

Former Chairman of the Management Board, Rothschild & Co Wealth Management Germany, bridge-builder between capital, technology & entrepreneurial families, deeptech investor

Henrik Herr

Henrik Herr is not a banker who gives lectures — he is an entrepreneur and investor who has spent decades at the forefront of european wealth management industry and who now builds bridges between capital, technology, and the entrepreneurial families in whose hands a large portion of Europe's wealth lies. Henrik Herr spent two decades at the top of the European wealth world — eleven years at Deutsche Bank, almost eighteen at Credit Suisse, most recently as Head of Private Banking for Germany and Austria, and since 2020 as Head of Wealth Management Germany and Chairman of the Management Board...
