

Customer Loyalty Expert, Reputation & Brand-building Authority, Senior Role in Harley-Davidson Turnaround, Author Make Some Noise: The Unconventional Road to Dominance

## Ken Schmidt

Ken Schmidt is an internationally sought-after expert on customer loyalty, brand building and corporate reputation. He became widely known through his leading role in the remarkable turnaround of Harley-Davidson. With unconventional ideas, a consistent focus on people and a deep understanding of human behaviour, he helped transform a struggling motorcycle manufacturer into one of the world's most emotional brands with an exceptionally loyal following. His central message is clear: Companies are not valued solely for their products or services, but above all for how they make people feel, what they stand for and the stories people tell about them.
