

Professional Highliner & Keynote Speaker on Resilience & Focus in Crucial Moments

Ryan Robinson

Professional Highliner, Endurance Athlete and Keynote Speaker on Resilience, Focus and Mental Strength “The line moves, but it`s always under you.” Ryan Robinson operates where concentration is critical: on a line just one inch wide, hundreds of metres above the ground. For more than 15 years, the professional highliner has walked lines in over 15 countries on six continents. His experiences reveal how people manage fear, remain effective under pressure and find the courage to take the next step amid uncertainty. Yet Ryan Robinson was not always fearless. Before becoming an extreme athlete, he worked in door-to-door sales and was…
