

Entrepreneur & Bestselling Author

Bridget Hilton

Entrepreneur, Author and Keynote Speaker on Motivation, Purpose-Driven Business and Meaningful Connection Bridget Hilton shows how to turn “someday” into a concrete first step. As co-founder of the socially conscious audio company LSTN and co-author of Experiential Billionaire, she encourages people and organisations to pursue their goals and make a difference together. She combines her entrepreneurial experience with insights from research involving more than 20,000 people about goals, postponed dreams and regrets. Her own journey has taken her from Detroit’s music scene and working with international recording artists to building a company that combines commercial success with social impact. LSTN…
