

Futurist, Trend Researcher & Bestselling Author

Michael McQueen

Michael McQueen is a futurist, trend forecaster and bestselling author. His keynotes show leaders and teams how to respond to rapid change, win support for new ideas and sustain growth over time. McQueen combines insights from neuroscience and behavioural psychology with practical business experience. His clients include Google, Toyota and Mastercard. In his talks, he gives leaders and teams practical tools to navigate uncertainty, understand what drives resistance to change and develop habits that support sustained performance.
