

Political Scientist, NATO Military Strategist and Futurist

Dr. Florence Gaub

Dr. Florence Gaub is Director of the Research Division at the NATO Defense College in Rome and an expert in geopolitics, international security policy and strategic foresight. The German-French political scientist focuses on global power shifts, military conflicts and how governments, businesses and societies can prepare for an uncertain future. As former Deputy Director of the European Union Institute for Security Studies (EUISS), she has extensive experience in analysing international crises and geopolitical developments. Florence Gaub combines expertise in security policy with futures research, psychology and strategic foresight. In her keynote speeches, she explains how people envision the future, analyse…
