

Lead Singer Iron Maiden, Pilot, Business Angel, Entrepreneur & Creative Business Thinker

Bruce Dickinson

From Rockstar to Businessman – The Life and Times of Bruce Dickinson

Bruce Dickinson is the frontman and singer of Iron Maiden, a professional pilot, entrepreneur and creative thinker. He was pilot and marketing director at Astraeus. He has also helped fund an aircraft maintenance company in Wales. The company plans to create 1'000 to 1'500 jobs there. Drawing on his wealth...
