

Expert in Solar & Energy

Timo Leukefeld

Timo Leukefeld – Born in Annaberg-Buchholz in 1969, this specialist on the subject of (energy-efficient) Future Lifestyles – “Wohnen der Zukunft” – has been actively engaged in the sector of energy, particular solar energy since the early nineties.

Timo Leukefeld is THE speaker on energy self-sufficiency and living in the future. He is an expert on energy-efficient living in the future and points the way to energy self-sufficiency. As a sought-after speaker, he talks about energy supply and future scenarios, and the federal government calls him an energy...
