

Futurist - Expert on Banking, Innovation & Customer Value

Axel Liebetrau

In over 1,000 keynotes in more than 15 countries worldwide, he has been able to bring his many years of practical experience as an innovation expert, future manager, author and entrepreneur closer to an interested audience.

Axel Liebetrau's motto: ‘Futurise your business – before someone else does it for you.’ Current issues such as a weakening economy, but also ongoing topics such as digitalisation and new ways of working, are not making leadership and business easy. It feels as if it has never been so difficult...
