

Entrepreneur, Storyteller & Bridge Builder between the Generations

Ali Mahlodji

Ali Mahlodji is an inspiring entrepreneur, encourager, inspiration and guide who is committed to the future of work, education and social change worldwide. He gives young people guidance, leaders clarity and helps people to follow their inner call. Born in Tehran in 1981, Ali Mahlodji came to Austria as a refugee child. There he grew up in an asylum home. His life was anything but straightforward – he dropped out of school and worked in over 40 different jobs before finding his own path. After working as a manager in an international corporation, he turned his back on a traditional...
