

Entrepreneur, Storyteller & Bridge Builder between the Generations

Ali Mahlodji

Ali Mahlodji is an inspiring entrepreneur, motivator, source of inspiration and guide who is committed to the future of work, education and social change worldwide. He provides guidance to young people, clarity to leaders, and helps people to follow their inner calling. He came to Europe as a refugee child and began his career as a stuttering school leaver. Ali Mahlodji has held over 40 different jobs in his life – from construction worker to top manager – before founding WHATCHADO, based on an idea he had as a child: the ‘towel of life stories’, which shows people the career...
