## Anna Maier

Anna Maier – On the trail of the perfect story. Anna Maier won a national writers' competition at the tender age of 14. At 18, she was already working for one of Switzerland's most popular private radio stations. At the age of 21, she was the country's youngest news anchor. Back then, her boss kept asking her: "And what will you be doing when you turn 30?" Her reply was: "Still searching for the perfect story." Anna Maier – Moderator Her charming and disarming yet tough and direct interview style has opened many doors. At the age of 21, she...
