

Leadership, Managing Change & High Performance Teams

Chester Elton

Chester Elton: Leadership, Appreciation and Managing Change – The Challenges in the New Normal Canada's largest newspaper, the Globe and Mail, called Chester Elton the "Apostle of Appreciation," the New York Times called him "creative and refreshing." Chester Elton is the co-author of several successful books on leadership: All In, The Carrot Principle and What Motivates Me were #1 bestsellers in the New York Times and the Wall Street Journal. Larry King of CNN called Chester Elton's work "required reading for modern managers." In 2021, Chester Elton was ranked the 4th best leadership expert in the world and the 3rd...
