

Elite tennis coach, Rafael Nadal's mentor

Toni Nadal

Toni Nadal is one of the main architects of the success of the world-class tennis star Rafael Nadal. His experience and ability to understand the game and the psychology of an elite player have worked to perfection to ensure that the innate abilities of his pupil could develop to the fullest. Toni Nadal, who also competed in tennis for six years, introduced his nephew Rafael Nadal to this sport at the tender age of four and taught him to play. Rafael Nadal also played football and could have been a professional in that too, but when he was 12, Toni...
