

Leading Expert in Neuromarketing, Brain research & Neuromanagement

Hans-Georg Häusel

Hans-Georg Häusel: Wie gute Geschichten im Gehirn entstehen und wie sie wirken. Professionelles Storytelling.

Hans-Georg Häusel – How to delight customers and vitalize businesses.. Neuromarketing expert Hans-Georg Häusel changes the way we think in sales, marketing and management. As a brain researcher with many years of consulting experience, he shows how decisions are really made in the brain: Largely unconscious and always emotional. His...
