

Digital Native, Communication & Generation Y

## Philipp Riederle

Innovation & Change: You would like to understand the Generation Y? Learn how to communicate with them.

Philipp Riederle, born in 1994, is considered the mouthpiece of the digital generations. As a bestselling author, keynote speaker and consultant, he builds bridges to generations Y and Z. Born a digital native, he analyzes the self-image of his young generation in the massive transformation of society and the world...
