

Founder Charity "Give Children a Hand", Comic book author & Bionicman

Michel Fornasier

Michel Fornasier – the Bionicman: Human & Robotic – Visions for the Future & Building Bridges.

Michel Fornasier was born in 1978 without a right hand. He grew up in the canton of Fribourg with his parents and his younger brother, who had both hands. Michel enjoyed a sheltered childhood until he first realised in kindergarten that he was different: the other children completed certain tasks...
